Press Release

Gaynes Labs tests the multiCHAIR 9000 Tub/Shower Chair

January 2009

The multiCHAIR 9000 series has passed tests performed by Gaynes Labs, Inc. (a national testing laboratory). The test, ANSI/BIFMA X5.1, involved dropping weights of 350 lbs. and 400 lbs. In both tests, the chair passed with no structural breakage or loss of serviceability.
